Revised 4/2013
Criminal history records checks for federal and state convictions are periodically conducted as required of all persons providing services to and/or receiving clinical instruction from HHSC. Information requested here is needed to make determinations as to whether any conviction has a bearing on your fitness to provide services or eligibility to receive clinical instruction at HHSC. Convictions, other than those noted on the HHSC application, will not automatically disqualify you; however, a suitability investigation may be conducted depending on when the conviction occurred and the type(s) of conviction(s). As a general rule, individuals with a conviction that bears a rational relationship to the position and/or service area, that falls within the past 10 years (excluding periods of incarceration), may render you unsuitable. Also, certain convictions such as an assault on a patient are automatic grounds for disqualification. During this suitability investigation period, you may not, at the discretion of HHSC, be allowed to perform services or receive clinical instruction until the investigation is completed.

Please PRINT (black ink) or type all requested information in PARTS I and II of this form, sign and return to: HR

Please bring a valid State issued picture i.d. with you.

(3) Offenses for which you were tried as a minor or juvenile;

If you answer “YES” to the question above, use this space to provide the dates, nature and circumstances of the conviction; the sentence imposed and its current status; and any other relevant information you wish to provide.

I also consent to criminal history record checks, which may include fingerprinting. I understand that any consideration for providing services or consideration for clinical instruction is contingent upon satisfactory completion of a suitability study, if applicable. ACKNOWLEDGEMENT AND UNDERSTANDING

As a person providing services to the Hawaii Health Systems Corporation (HHSC), I hereby authorize HHSC to conduct periodic background checks with the following agencies: Office of Inspector General (OIG), General Services Administration, State and Federal Criminal History Data Centers and any other agencies required or permitted by applicable laws and regulations to retain information concerning misconduct.

I understand further that convictions, pleas or entry into programs, other than those noted on the HHSC application or those treated as excludable by OIG or GSA, will not automatically disqualify me from providing services to HHSC. A suitability review may be conducted depending on the nature of the offense(s).

Failure to notify my respective Human Resources Office regarding any of the above concerns may result in disciplinary action up to and including termination of my services.
