

Hawai'i Health Systems Corporation (HHSC) - Kaua'i Region,

is a dedicated network of healthcare facilities committed to the well-being of Kaua'i's residents. Our organization includes Kaua'i Veterans Memorial Hospital (KVMH) and Samuel Mahelona Memorial Hospital (SMMH), both of which have deep ties to the community. Our staff and physicians are not only healthcare providers but also neighbors and friends, creating a compassionate, personalized care experience.

HHSC Kaua'i Region offers a wide range of services, including 24-hour emergency care, critical care, medical/surgical care, obstetrics, pediatrics, imaging, and rehabilitation. We have expanded our services with outpatient primary care clinics in Waimea, Port Allen, Kalāheo, Kapa'a, and the newest clinic in Līhu'e, along with an urgent care in Po'ipū. With a dedicated team of over 500 employees, we provide top-tier medical services supported by advanced technology. We are also undergoing renovations to modernize our Kaua'i facilities, ensuring that we continue to meet the growing healthcare needs of the community with innovation and collaboration.

KVMH Charitable Foundation

is dedicated to supporting Kaua'i Veterans Memorial Hospital (KVMH) and enhancing healthcare services for the local community. Through generous donations, the Foundation helps fund essential medical equipment, facility improvements, and various patient care programs. With a strong focus on improving the health and well-being of Kaua'i residents, the Foundation plays a crucial role in ensuring that KVMH remains equipped to deliver high-quality care. By partnering with community members, organizations, and volunteers, the Foundation continues to foster a legacy of compassion, innovation, and support for healthcare on Kaua'i.
